

Austin-

I can't tell you enough how incredible that Tang video was on Saturday. It was EXACTLY as I had envisioned it, and better. I have done this sort of thing before in a number of different venues, and it was difficult for me to hand it off completely to someone to do, especially a company who may not have been familiar with our organization. Turns out I had nothing to worry about.

You and your company's skills are of the highest caliber. I know how much work it is to edit something like that, even a short piece. You and your team did a fantastic job.

What a great showcase of what the Tang competition is all about. NAPABA's young, future members.

My personal thanks and gratitude, Austin. And on behalf of NAPABA, we thank you as well!

Mike
